

**Table 13.14-- ESTIMATED MEDIAN INCOME AND POVERTY  
STATUS, BY COUNTY: 1993**

| Geographic area | Median family<br>income (dollars) | Persons in poverty 1/ |         |
|-----------------|-----------------------------------|-----------------------|---------|
|                 |                                   | Number                | Percent |
| The State       | 39,890                            | 110,972               | 9.6     |
| Counties:       |                                   |                       |         |
| Hawaii          | 31,150                            | 20,329                | 15.0    |
| Honolulu        | 43,596                            | 75,992                | 8.9     |
| Kalawao         | 10,000                            | -                     | -       |
| Kauai           | 37,002                            | 4,930                 | 8.8     |
| Maui            | 38,521                            | 9,722                 | 8.6     |

1/ Based on Mainland poverty thresholds. Official Hawaii thresholds are about 15 percent higher. These data accordingly understate the number and percent of persons below the poverty level in Hawaii. Data also differ from estimates in Table 13.18.
