Table 16.03-- NUMBER OF POST OFFICES AND STATIONS, BY ISLANDS: SEPTEMBER 10, 1999

		Cost Ascertainment Group (CAG) 1/			Stations		
Island	Total	A-G 2/	H-J 3/	K 4/	L 5/	Classified 6/	Contract 7/
State total	133	35	25	12	-	34	27
Hawaii Maui	33 14	9	11	5	-	2 2	6
Lanai	1	-	1	-	-	-	-
Molokai Oahu	5 61	1 12	4	4 1	-	- 27	- 17
Kauai Niihau 8/	19 -	4 -	8 -	2 -	-	3 -	2

1/ Changes in CAG assignments are made at the beginning of the Postal fiscal year (September to August). They are determined by the gross revenue from the prior fiscal year as follows: Gross revenue is divided by a revenue unit factor. The revenue unit factor represents the average revenue from mail and special services, including fees, per one thousand pieces of originating mail and special services transactions. CAGs range from A to L.

- 2/ Formerly called First-class offices.
- 3/ Formerly called Second-class offices.
- 4/ Formerly called Third-class offices.
- 5/ Formerly called Fourth-class offices.
- 6/ Staffed by career postal employees.
- 7/ Operated under a contractual agreement between the Postal Service and an individual contractor.
- 8/ Niihau is served by the Makaweli Post Office on Kauai.
