^{1/} The DOD webpage leading to the URL below notes that procurement web sites are no longer the home for the collection, correction, and reporting of DoD procurement information. The data on those sites are static data and reflect how the data were originally collected through FY2006. All the data contained on those sites were migrated to the Federal Procurement Data System Next Generation (FPDS-NG) which is now the official web site https://www.fpds.gov for all federal procurement data and reports. USASpending.gov at https://www.usaspending.gov also contains current DoD procurement data. FY2007 has been released but future *Data Book* updates of military subcontractoring are expected to be based on the migrated data/sites.

- 2/ HBCU/MI Historically Black Colleges and Universities/Minority Institutions.
- 3/ HUBZone Historically underutilized business zone.
