1/ An enterprise (or "company") is a business organization consisting of one or more domestic establishments that were specified under common ownership or control. The enterprise and the establishment are the same for single-establishment firms. Each multi-establishment company forms one enterprise - the enterprise employment and annual payroll are summed from the associated establishments.

2/ Establishments that have zero employment in the first quarter of the initial year and positive employment in the first quarter of the subsequent year.

3/ Establishments that have positive employment in the first quarter of the initial year and zero employment in the first quarter of the subsequent year.

4/ A single physical location where business is conducted or where services or industrial operations are performed.

5/ Full or part-time employees, including salaried officers and executives of corporations, who were on the payroll in the pay period including March 12. Included are employees on sick leave, holidays, and vacations; not included are proprietors and partners of unincorporated businesses.
