## Table 1.34-- RESIDENT POPULATION FOR DETAILED RACES: 2021 -- Con.

1/ People who chose only one race.

2/ People who chose only one race or those who have chosen two or more races. Figures for the "race alone or in combination" column add to more than the total population. For example, a person indicating "White *and* Japanese *and* Native Hawaiian" is included in the White, Japanese, and Native Hawaiian race categories.

3/ Includes the generic term "Micronesian" and the remaining Micronesian write-in responses that were not tallied into separate groups.

4/ Includes the generic term "Polynesian" and the remaining Polynesian write-in responses that were not tallied into separate groups.

5/ Includes the generic term "Pacific Islander" and respondents who checked the "Other Pacific Islander" category on the questionnaire without writing in a specific race.

6/ Includes the generic term "Asian," the remaining Asian write-in responses that were not tallied into separate groups, and respondents who checked the "Other Asian" category on the questionnaire without writing in a specific race.

7/ Includes the generic term "Melanesian" and the remaining Melanesian write-in responses that were not tallied into separate groups.
