1/ An offense is cleared either by arrest or exceptional means. An offense is cleared by arrest when at least one person is arrested; charged with the commission of the offense; and turned over to the court for prosecution. An offense is cleared by exceptional means when the identity of the offender is known; there is enough evidence to support an arrest, charge, and turning over to the court for prosecution; the exact location of the offender is known; and, for reasons outside the control of law enforcement, the offender cannot be arrested, charged, and prosecuted.

2/ Excludes arson and human trafficking offenses. From 2014 onward, it also excludes rape (legacy). Rape under the legacy definition, however, is already included in the rape count under the revised definition.

3/ On January 1, 2014, the State of Hawaii began the collection of rape data using a revised definition. The State of Hawaii will continue to also collect rape data under the legacy definition so that comparative trends can be established. See source for more information.
