1/ People who chose only one race and it was a "Native Hawaiian and Other Pacific Islander" (NHPI) race, being any of the original peoples of the Hawaii, Guam, Samoa, or other Pacific Islands.

2/ People who chose only one race or those who have chosen two or more races, one of which is a "Native Hawaiian and Other Pacific Islander" (NHPI) race. Numbers for detailed NHPI race groups may add to more than the total NHPI population, and the percentages may add to more than 100% because individuals may be of more than one detailed NHPI race, e.g., a person indicating "Native Hawaiian and Samoan" is included with the Native Hawaiian and Samoan categories.

3/ Components may not sum to totals due to the injection of statistical noise in the data.

4/ Does not match the "Native Hawaiian and Other Pacific Islander" total for five major races in Table 1.31 due to the difference in counting methodology.
