<sup>1/</sup> People who chose only one race and it was "Native Hawaiian."

<sup>2/</sup> People who chose only one race or those who have chosen two or more races, one of which is a "Native Hawaiian." Numbers for race groups may add to more than the total population because individuals may be of more than one race, i.e., a person indicating "Native Hawaiian *and* White *and* Japanese" is included with the Native Hawaiian, White, and Japanese categories.
