

Section 10
Social Insurance and Welfare Services

This section presents data on government programs for old-age, survivors, and disability insurance, unemployment insurance, aid to the needy, maternal and child welfare services, the Community Chest, foundations, and similar activities. Major sources include reports of the United States Department of Health, Education, and Welfare (particularly the Social Security Administration and its various bureaus), the Bureau of Employment Security of the U.S. Department of Labor, the Hawaii Department of Social Services, and the Hawaii Department of Labor and Industrial Relations. Personnel of these agencies can provide additional data. Section 10 of the Statistical Abstract of the United States: 1961 presents comparable information for the mainland.
