Dear Mr. Tuiolosega:

Re: Kapolei Lofts Affordable Apartment Housing, Kapolei Town Center, Kapolei, Oahu,
TMK: (1) 9-1-148: 013, 014, 015, and 016

The Final Environmental Impact Statement ("FEIS") for the Kapolei Town Center was accepted
by the City and County of Honolulu, Department of Planning and Permitting (formerly the
Department of General Planning) in August, 1988. The Kapolei Town Center action has not yet
been fully implemented and we initiated a review of the FEIS with respect to changes in size,
scope, location, intensity, use, and timing. We found that our review indicated that no
Supplemental Environmental Impact Statement will be required at this time. As indicated in the
enclosed letter, the Department of Planning and Permitting has no objections to this
determination.

Please publish appropriate notice of this in the next available issue of the Environmental Notice.

If there are any questions, please contact Janice Takahashi at 587-0639.

Sincerely,

Craig K. Hirai
Executive Director
