

**Comprehensive Exemption List
for the
City and County of Honolulu
Department of Design and Construction**

GENERAL NOTE

Section 343-6 (a) (2), HRS authorizes the Environmental Council to establish procedures to exempt specific types of action from the need to prepare an environmental assessment because the action will have minimal or no significant effect on the environment.

The following types of projects will not be exempt:

1. Project requiring detailed analysis as provided in an environmental assessment under §343-5. These include, but are not limited to places listed on the Federal or State registers of historic places.
2. Project in statutorily defined areas, including but not limited to: critical habitats, special management areas, special design districts, registered view planes or scenic corridors, wet lands, sanctuaries, special habitats, shoreline areas, tsunami inundation areas, or other designations; except where the work is eligible for exemption and there is no negative impact on the conditions that define these areas.
3. Major projects without an Environmental Impact Statement (EIS); an Environmental Assessment with a Finding of No Significant Impact (EA/FONSI); or major projects that were never presented at a public meeting concerning site selection, master plan report, or any phase of incremental construction.
4. Major projects without a program to encourage public input into the design or siting of the project.

Part 1 Exemptions

Pursuant to HAR §11-200.1-16 (a) (1), the Department of Design and Construction has determined that the following types of actions by their nature do not have the potential to individually or cumulatively adversely affect the environment more than negligibly and are considered to not rise to the level of requiring chapter 343, HRS, environmental review.

General Type of Action 1

Operations, repairs, or maintenance of existing structures, facilities, equipment, or topographical features, involving minor expansion or minor change of use beyond that previously existing, including, but not limited to the following:
