1. Call to order, roll call and quorum, introductions.
2. Discussion & confirmation of upcoming forums.
 - A. September 15 our next panel forum. Dawn double checking availability of panelist.
More to come at August meeting.
 - B. Watershed Forum Flyer: Still waiting for the bio's for the Watershed panelists. This has been challenge throughout so we may want to rethink including the bio's in the flyers.
 - C. Need to give Les Segundo info about forum to link on OEQC website.
 - D. Still can't figure out why some people can't open the registration from the flyer. No rhyme or reason to it.
 - E. Posting the recording of the forum is proving problematic. File is way too large. We need to investigate establishing a YouTube channel for our forums to be hosted from.
 - F. Roy working on the press release.
3. Presented the idea of modifications to Procedures & Checklist for Forums. However, Chair Begier did not circulate correctly for sunshine so we are moving this to the August meeting of I&O.
4. Next meeting will be 8/3/2021
5. Adjournment.
