1. Call to order, roll call and quorum, introductions.
2. Reviewed minutes of July 2022 meeting & approved same.
3. Decided on "Clearing the Hurdles of EIS" to be the topic name for our January forum after a lively discussion of who our desired audience is. The format will be a Who, What, Why style panel.
4. We selected a "recommendation" for the elevator speech to the full EAC.
5. Discussion regarding the federal platform = info tutorial and the need for this even within the "learned" environmental community. Set a tentative title for February forum called "Break the Code".
6. Next meeting to be December 6, 2022 via zoom. Agenda to continue work on future forums and best way to support full EAC and our new home at OPSD.
7. Adjournment.

INDIVIDUALS REQUIRING SPECIAL ASSISTANCE OR AUXILIARY AIDS OR SERVICES (e.g., sign language interpreter, computer-assisted notetaking, wheel chair accessibility, or parking designated for the disabled) at the meeting, please contact the OEQC at least 72 Hours prior to the meeting at 808-586-4185 so that arrangements can be made.
