Tuesday, January 9, 2024, 10:00 AM

Materials for this agenda and minutes of this meeting will be available at specific links indicated below or at: <https://planning.hawaii.gov/erp/ec-meetings/>

1. Call to order, Roll Call, Introductions, Quorum
2. The topic for this meeting of the Strategic Planning Committee (SPC) will focus on how the Environmental Advisory Council (EAC) can fulfill its opportunity for advising Hawaii's Office of Planning and Sustainable Development (OPSD) on key environmental issues, for example these four:
  - Cesspools: Legislators anticipate that this session will once again include a focus on cesspool legislation.
  - Green Fee: The issue of a "green fee" is anticipated to re-surface in this session.
  - Department of Environment: Several legislators will once again raise the issue of creating a Department of the Environment.
  - OPSD re Housing: The EAC's administrative home — Office of Planning and Sustainable Development (OPSD) has asked for EAC's input on housing-related issues.

The SPC would like to develop a process whereby the EAC can foster responsible, knowledgeable and transparent discussion on these issues, and then prepare its recommendation for OPSD.
