

Long term plans for Strategic Planning and Legislative Committees

Legislative Committee

- New Chair should:
 - have some experience with — at the very least — the legislature's website, and in particular how to submit testimony and how to search for specific relevant bills
 - with new EAC Chair, meet with Senate and House Chairs of Environment Committees
 - review previous three years of EAC-submitted testimonies
 - be prepared to draft testimony
- All Committee members should:
 - review and follow EAC Policies and Procedures re Legislative Committee
 - learn and watch the legislative calendar (see Legislature's Public Access Room) <https://lrb.hawaii.gov/par/>

Strategic Planning Committee

- New Chair should:
 - Become familiar with previous SPC efforts, including surveys and Committee minutes
 - Draft (with EAC Chair) a Planning Discussion Agenda (e.g., what are our priorities for 2025) for an early 2025 EAC meeting
 - Be familiar with long range planning concepts and processes
