AIR-EP 21.0115	Oahu	414 Lele Street	Honolulu	96819	(1) 1-1-070:023	Hertz Rent-a-Car	3 (D)	Hertz Rent-a-Car Above-Ground Fuel Storage Tank Replacement Project; Hertz Rent-a-Car is proposing to remove and replace existing above-ground fuel storage tanks. A 2,000-gallon tank will be disconnected and stored elsewhere on site, and a 3,000-gallon tank will be disconnected and disposed of. The existing defueling pump, equipment, electrical fueling system wiring and conduit will remain and be used for a proposed new 10,000-gallon tank to be installed on site.	
AIR-EP 21.0119	Hawaii	2450 Kekuanaoa Street	Hilo	96720	(3) 2-1-012:009		2, 6	Drainage and Wind Cone Improvements; The proposed project involves the installation of drywells at the Hawaii Air National Guard ramp, General Aviation ramp, access road behind Runway 3, and entrance to the Civil Air Patrol building at Hilo International Airport. The Runways 8, 21, and 26 supplemental wind cones will also be demolished, replaced, and relocated outside the Runway Object Free Area.
