HWY-LG 2.0892	Oahu	Kamehameha Highway at Waimea Bay	Haleiwa	96712	(1)5-9-005:009, (1)5-9-005:025, (1)5-9-005:029; and (1)5-9-005:021		1 and 3	Kamehameha Highway Emergency Rock Fall Remediation at Waimea Bay. The proposed project modifies an existing rockfall fence by extending it approximately 200 linear feet to the west towards Haleiwa. The extension of the rockfall impact fence will be 15-feet tall. Emergency scaling on adjacent parcels were conducted to minimize the potential for additional rocks from falling on the highway.
