1430 Queen Emma Street	Honolulu	96813	2-1-005: 001	3, 4	<p>Kamāmalu Park Improvement Project. The Department of Parks and Recreation, in partnership with the YMCA, proposes to make various improvements to Kamāmalu Park. Improvements include the construction of a new comfort station, installation of new security lighting, improved landscaping and drainage, and repaving and restriping the parking to accommodate for a minimum of 104 stalls (115 maximum). A new comfort station measuring 280 square feet (SF) located on the mauka side of the park will replace the existing comfort station that is out-of-order. Infrastructure improvements include the installation of an interceptor infiltration trench for accommodating mauka runoff and a <6 inch depression for stormwater conveyance and infiltration. A vegetated swale will be installed pursuant to city stormwater quality rules and requirements. The parking lot will be restriped, and a turnaround area provided for maintenance and emergency vehicles. Landscaping includes the provision of planter islands throughout the parking lot.</p>
