

**Subject: CORRECTION DR-4724 - FEMA Environmental Assessment Comment Period Notification -
Temporary Group Housing Site**

Good Morning/Afternoon,

The Federal Emergency Management Agency (FEMA) through the Individuals and Households Program (IHP), under the Presidentially Declared Disaster FEMA-DR-4724-HI, will construct a temporary group housing site to provide suitable temporary housing opportunities for individuals and families displaced under the major disaster declaration for the 2023 Hawaii wildfires and high winds (FEMA-4724-DR-HI) in Maui County. In accordance with the National Environmental Policy Act (NEPA) of 1969, FEMA has prepared a draft Environmental Assessment (EA) for a proposed Alternative Temporary Transportable Unit (ATTHU) group housing site. FEMA has provided notice to the public of its intent to construct the Ka'anapali Temporary Group Site.

This action was included as a courtesy by OPSD in the 1/23 publication of *The Environmental Notice*.

We have identified an error in the e-mail address provided for comment submittal, and have provided a correction below. Given the error, we will be **extending the comment period until February 2, 2024**.
