

LILIHA CIVIC CENTER IWILEI INFRASTRUCTURE MASTER PLAN

WHAT IS THIS PROJECT?

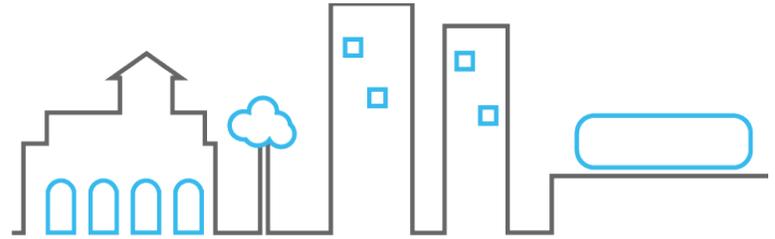

This project will develop a master plan for the State Owned Liliha Civic Center site in Iwilei. This project will also identify infrastructure improvements needed to support future development in the Iwilei area in general.

WHY JOIN US?

To get updates on the status of the Liliha Civic Center Master Plan and find out more about existing conditions and current concepts. We will also be providing information on the Environmental Impact Statement (EIS) process and seek input on scoping for the EIS.

QUESTIONS?

If you have questions or require special accommodations, please contact Nathalie Razo at least three (3) days prior to the meeting: nrazo@pbrhawaii.com or (808) 954-6342
