

Public notice of permit application received

The Department of Health (DOH) received a permit application for a hazardous waste treatment and storage facility from E-Opala, Inc. on October 30, 2018. The proposed facility, to be located at 1708 Mary Street in Honolulu, plans to disassemble and shred electronic items in preparation for recycling.

The permit application is available for public review at the DOH Solid and Hazardous Waste Branch 2827 Waimano Home Road #100 Pearl City HI 96782 from 8am to 4pm on weekdays, except state holidays. To be added to or removed from the mailing list for future notices regarding this facility throughout the permit review process or to provide comments to the Department, please write to noa.klein@doh.hawaii.gov or the DOH address above.

§ 124.32 Public notice requirements at the application stage.

(b) Notification at application submittal.

(1) The Director shall provide public notice as set forth in § 124.10(c)(1)(ix), and notice to appropriate units of State and local government as set forth in § 124.10(c)(1)(x), that a part B permit application has been submitted to the state department of health and is available for review.

(2) The notice shall be published within a reasonable period of time after the application is received by the Director. The notice must include:

- (i) The name and telephone number of the applicant's contact person;
- (ii) The name and telephone number of the permitting agency's contact office, and a mailing address to which information, opinions, and inquiries may be directed throughout the permit review process;
- (iii) An address to which people can write in order to be put on the facility mailing list;
- (iv) The location where copies of the permit application and any supporting documents can be viewed and copied;
- (v) A brief description of the facility and proposed operations, including the address or a map (e.g., a sketched or copied street map) of the facility location on the front page of the notice; and
- (vi) The date that the application was submitted.

§ 124.10 Public notice of permit actions and public comment period.

(1) By mailing a copy of a notice to the following persons (any person otherwise entitled to receive notice under this paragraph may waive his or her rights to receive notice for any classes and categories of permits);

(ix) Persons on a mailing list developed by:

(A) Including those who request in writing to be on the list;

(B) Soliciting persons for "area lists" from participants in past permit proceedings in that area; and

(C) Notifying the public of the opportunity to be put on the mailing list through periodic publication in the public press and in such publications as Regional and State funded newsletters, environmental bulletins, or State law journals. (The Director may update the mailing list from time to time by requesting written indication of continued interest from those listed. The Director may delete from the list the name of any person who fails to respond to such a request.)

(x) (A) To any unit of local government having jurisdiction over the area where the facility is proposed to be located; and

(B) to each State agency having any authority under State law with respect to the construction or operation of such facility.
