No. 12

REGISTER OF CHAPTER 343, HRS DOCUMENTS

All Chapter 343, HRS documents submitted for publication in the OEOC Bulletin must be addressed to the Office of Environmental Quality Control, 465 South King Street, Room 104, Honolulu, Hawaii 96813. Documents addressed otherwise will not be considered for publication.

NEGATIVE DECLARATIONS

The following are Negative Declarations determinations made by proposing or approving agencies that certain proposed actions will not have significant effects on the environment and therefore do not require EISs (EIS Rules 11-200-11). Publication in the Bulletin of a Negative Declaration initiates a 60-day period during which litigation measures may be instituted. Copies are available at 25 cents per page upon request to the Office. Parties wishing to comment may submit written comments to the agency responsible for the determination (indicated in project title). The Office would appreciate a copy of your comments.

Applicant proposal is for both commercial and non-commercial land use, including:

A. Commercial: 1) development of our acres into planted Christmas trees 2) development of an one-acre family garden where excess produce may be sold to the general public 3) development of an one-acre of edible ginger

B. Non-commercial: 1) development of a new single-family residence with water catchment system 2) conversion of an existing residence into a farm shed; an existing kitchen will be removed and the structure will not be used or rented for living purposes 3) development of a 1,000-foot driveway to provide access to the single-family residence and tree farm 4) development of a family orchard 5) demolition and removal of an existing 16 ft. x 16 ft. shed.

HAWAII

CDUA FOR COMMERCIAL PROPERTY DEVELOPMENT AND SINGLE FAMILY RESIDENCE, South Hilo, Hawaii; Mr. Michael Zelko; Dept. of Land and Natural Resources (TMK: 2-6-11:23)

Conservation
KAUAI

CDUA COMMERCIAL KAYAK TOURS ALONG THE NA PALI COAST OF KAUAI, Na Pali, Kauai; Kayak Kauai, State Dept. of Land and Natural Resources (TMK: 1-2-01:1, 1-2-02:24; 1-4-01:7; 1-4-01:14; 5-9-01:1; 5-9-01:2; 5-9-05:19)

Applicant proposes to conduct float expeditions commercially for small selected groups of 4-8 clients.

Kayak Kauai will be using inflatable and hardshell canoe/kayaks to float with the wind and currents from Ke'e side of Ha'ena County Beach Park, down Na Pali coast to Polihale State Park.

KK will be limiting each vessel to two passengers with personal and communal camp gear. Group expeditions will feature a maximum of ten vessels; eight vessels of eight clients along with two guides.

KAUAI COMMUNITY COLLEGE THEATRE, Puhi, Kauai; Dept. of Accounting and General Services (TMK: 4th Div. 3-4-5:09 (Por.))

The proposed project is to design and construct a 40,000 sq. ft. reinforced concrete building for theatrical performances. Since the project will be constructed within the existing school campus, no land will be removed from the tax base.

The estimated cost of the project is \$9,000,000.

The project will provide the school with a much-needed facility to implement its program in accordance with Educational Specifications.

MAUI

DEMOLITION AND RECONSTRUCTION OF A ONE-STORY WOOD FRAM COMMERCIAL BUILDING, Lahaina, Maui; Food Pantry Ltd./Maui Historic Commission, County of Maui (TMK: 4-5-01:11)

Applicant proposes to demolish an existing one-story wooden building, and construct a new commercial building on the same site at Front Street in Lahaina, Maui

The new building will be a wood structure with an exterior of 4-inch pattern plywood siding. The new building will have approximately 2,438 sq. ft. of floor area

Estimated cost of the proposed project is \$170,000.

OAHU

CALIFORNIA AVENUE RELIEF SEWER, Wahiawa, Oahu; Dept. of Public Works, City & County of Honolulu (TMK: 07-03-07)

The proposed project consists of the installation of approximately 700 feet of 36-inch sewers from the Wahiawa Sewage Treatment Plant, along the road right-of-way on California Avenue to an existing sewer manhole. The proposed site will not involve any wetlands, is relatively level, and is grassed or paved.

Modifications will be made on the existing screening chamber and sewer manhole which will be connected to the new sewer. The existing line will be plugged and abandoned after the new 36-inch sewer is installed.

The objective of the project is to provide sewers with adequate capacity to effectively accommodate existing sewage flow and expected increase in flows primarily from the Wahiawa and Whitmore Village Sewage Tributary Area.

The project is estimated to cost \$251,000..

PIPELINE FACILITIES, PIER P-5 TO MALAKOLE STREET AT BARBERS POINT DEEP DRAFT HARBOR, Ewa, Oahu; Texaco Refining and Marketing Inc., Chevron USA, Inc./State, Dept. of Transportation, Harbors Division (TMK: 9-1-14:9)

Applicants propose to construct pipeline facilities to service Pier P-5 at Barbers Point Deep Draft Harbor.

The project consists of three separate underground pipelines and will provide additional flexibility in transferring incoming and outgoing petroleum products at Barbers Point Harbor. The lines will extend from the petroleum areas at Pier P-5 to Malakole Street. Two lines designated for "clean product" i.e., gasoline and diesel fuel will be connected to existing lines on Malakole Street

The third line will extend from the petroleum area at Pier P-5 and be stubbed on Malakole Street. The third line will ultimately be extended to the Chevron USA refinery for transmission of "Black Oil" i.e., bunker fuel.

The rationale for installing all of the lines at one time is to save on cost and to reduce future disruption at Pier P-5 when it becomes operational.

Estimated cost of the proposed project is \$200,000.

COMFORT STATION AT ALA WAI BOAT HARBOR, Honolulu, Oahu; Dept of Transportation, Harbors Division (TMK: 2-3-37:12)

The proposed project consists of constructing a new 20-foot by 40-foot Comfort Station which will include shower and toilet facilities.

Ala Wai Boat Harbor is located on the south shore of Oahu between Waikiki and Ala Moana Park. The proposed project will be constructed entirely on land within the existing Ala Wai Boat Harbor boundary.

The comfort station which will include shower and toilet facilities to service work docks F & G and the trailer boat launching areas at Ala Wai Boat Harbor.

Estimated project cost is \$200,000.

WAIMANALO RESIDENCE LOTS, UNIT 8, Waimanalo, Koolaupoko, Oahu; State, Dept. of Hawaiian Home Lands (TMK: 4-1-03:15,25,26,27,30,31,31 and 33, 4-1-08: 1,51 and 73)

Hawaiian Home Lands proposes to develop approximately 25 acres of land in Waimanalo, Oahu for 58 single family houselots of approximately 6,000 sq. ft. to the native Hawaiians.

The project site is located at the foot of the Koolau's and its bordered by the Waimanalo Drainage Channel to the east, Grace Pacific Quarry to the west, the Koolau Mountains to the south and Kalaniana'ole Highway and Waimanalo Beach Park to the north.

General site development will include clearing and grubbing, excavation and embankment, utility installations, drainage system, landscaping and street improvements. Access to the subdivision will be from Kalaniana'ole Highway and Nakini Street via a new bridge over the Waimanalo Drainage Channel.

Estimated construction costs for the project is \$2.1 million.

EIS PREPARATION NOTICES

The following proposed actions have been determined to require an environmental impact statement. Anyone can be consulted in the preparation of the EIS by writing to the listed contacts. 30 days are allowed for requests to be a consulted party.

BAYVIEW GOLF COURSE EXPANSION, Kaneohe, Oahu; Pacific Atlas (Hawaii) Inc./Dept. of Land Utilization, City & County of Honolulu (TMK: 1-4-5-30: 1,6,9,37,40,42, 44,45,46;1-4-5-8:38;1-4-5-30:3,20,30, por.36;1-4-5-59:33 to 36;1-4-5-104:48 to 54)

Pacific Atlas proposes to expand the Bayview Golf Course into an 18-hole championship golf course, in Kaneohe, Oahu. The total project site encompasses 140 acres.

The project includes a clubhouse and maintenance shed, as well as approximately 32 residential units.

Access to the golf course, clubhouse and residences will be via Kaneohe Bay Drive.

The cost of constructing the proposed golf course and support facilities is

estimated at \$20 million. Site work and construction of the residential units are estimated at \$6 million.

Honolulu, Hawaii 96814

Deadline: July 24, 1989

DRAFT ENVIRONMENTAL IMPACT STATEMENTS

EISs listed in this section are available for review at the following public depositories: Office of Environmental Quality Control; Legislative Reference Bureau; Municipal Reference and Records Center (Oahu EISs); Hamilton Library; State Main Library and the Kaimuki, Kaneohe, Pearl City, Hilo, Wailuku and Lihue Regional Libraries. Statements are also available at State Branch Libraries that are in proximity to the site of a proposed action (indicated by project description).

Comments on the following EISs should be sent to: 1) the accepting authority; and 2) the proposing agency. Please note the deadline date for submitting written comments on the EIS.

OAHU

KAHEKILI HIGHWAY WIDENING & INTERCHANGE, U.S. Dept. of Transportation Federal Highway Administration and State of Hawaii Dept of Transportation Highways Division/ Governor, State of Hawaii (TMK: 4-5-23,4-5-24,4-5-25,4-5-26,4-5-41,4-5-79,4-5-80,4-5-82,4-5-108, 4-6-12,4-6-13,4-6-14 4-7-26,4-7-51)

The Kahekili Highway Widening and Interchange project is located on the Windward side of Oahu between Likelike Highway in Kaneohe and

Kamehameha Highway near Kahaluu Stream. Kahekili Highway passes through Kaneohe, Heeia, Haiku and Ahuimanu.

The proposed project involves the construction of a traffic interchange at the intersection of Likelike and Kahekili Highways and the widening of Kahekili Highway from a 2 lane road to a multi-lane (4 to 6-lane), divided facility from the interchange to Kamehameha Highway, a distance of approximately 4.4 miles.

The existing Kahekili Highway, a two-lane facility, intersects Likelike Highway, a four-lane, divided facility, at a T-type of intersection. A third lane between Likelike Highway and Haiku Road was recently completed to accommodate left turning movements in both directions.

Kahekili Highway was constructed as the first increment of a future four-lane divided highway within a minimum 120 feet right-of-way. Kahekili Highway is a principal arterial roadway which connects the communities of Kahaluu and the Koolauloa Coast to Likelike Highway. The other major roadway in the Kaneohe-Kahaluu corridor is Kamehameha Highway. Kamehameha Highway is a major collector road which passes through Kaneohe Town.

Average daily traffic on Kahekili Highway near the intersection with Likelike Highway increased from about 15,500 vehicles in 1970 to nearly 27,000 vehicles currently. The proposed Kahekili Highway Widening and Interchange project will alleviate the existing congestion along the highway and greatly enhance traffic safety.

Estimated cost of the proposed project is \$45,000,000.

CIRCLE K CONVENIENCE STORE, North Kona; Hawaii; Circle K. Hawaii, Inc./Planning, Dept., County of Hawaii (TMK: 7-8-14:86)

Applicant proposes to develop a convenience store on a 17,000 sq. foot land parcel located in Kahaluu, Kona, Hawaii.

The Circle K store would consist of a one-story commercial facility containing approximately 2,720 sq. ft. of floor space, as well as a restroom, office, and general storage area.

Adjacent to the store will be two gasoline pump islands where gasoline will be distributed on a self-serve basis.

Estimated cost of the proposed project is \$450,000

NOTICE:

TO EXPEDITE THE PUBLICATION OF THE OEQC BULLETIN, THIS OFFICE REQUESTS THAT ALL AGENCIES AND APPLICANTS COMPLETE THE ATTACHED 2-PAGE OEQC FORM #89-01 WHENEVER AN EIS, NEGATIVE DECLARATION, OR NEPA DOCUMENT IS SUBMITTED. IF THERE ARE ANY QUESTIONS IN COMPLETING THIS FORM, PLEASE CALL OEQC AT 548-6915.

When submitting an Environmental Assessment or a Negative Declaration be certain that it provides all the information required by the Rules Section 11-200-10 or it will be returned without any publication in the OEQC Bulletin. Also, the attached summary Form #89-01 is required. The contents as stated in the Rules are as follows:

The Office of Environmental Quality Control have been asked by numerous agencies and individuals for a listing of firms and individuals specializing in the preparation of environmental assessments, impact statements and conducting biological, social and archaeological baseline studies.

To meet this request, we are preparing a listing of individuals and firms providing environmental consulting services and request your assistance in this effort. If you have any questions, please contact Caroline Albano or Arleen Mindoro at 548-6915.

The Office of Environmental Quality Control is sponsoring:

WHAT: Value Engineering Workshop, Mr. Ed. Nichols, CVS, speaker

WHEN: August 28 - Sept. 1, 1989 (Monday - Friday)

WHERE: AmFac Plaza Exhibition Hall Ground Floor, AmFac Center 700 Bishop Street Honolulu, Hawaii 96813

TIME: 8 AM - 5 PM

If you have any questions or interested in attending, call Nina Yonemura-Hayashi or Clyde Yamauchi at 548-6915.

- (1) Identification of applicant or proposing agency;
- (2) Identification of approving agency, if applicable;
- (3) Identification of agencies consulted in making assessment;
- (4) General description of the action's technical, economic, social, and environmental characteristics;
- (5) Summary description of the affected environment, including suitable and adequate location and site maps;
- (6) Identification and summary of major impacts and alternatives considered, if any;
- (7) Proposed mitigation measures, if any;
- (8) Determination;
- (9) Findings and reasons supporting determination; and
- (10) Agencies to be consulted in the preparation of the EIS, if applicable.
