

Legal / Policy Permitted Interaction Group

Moved and Seconded at the Nov. 29, 2018 Greenhouse Gas Sequestration Task Force Meeting

- 1) To identify and recommend measures to increase climate resiliency and improve greenhouse gas sequestration, build healthy soils, and provide greenhouse gas benefits to participate in carbon markets and/or establish best management practices;
- 2) With the membership to be Scott Glenn, Ashley Lukens, Melissa Miyashiro, David Forman, and the 4 mayors designees;
- 3) To coordinate and consult with any other permitted interaction groups, as needed within the scope of its task and so long as there is not a quorum of the members of the Greenhouse Gas Sequestration Task Force; and
- 4) With a deadline and deliverable date of August 30, 2019 or as soon as possible thereafter.

Draft Economics Permitted Interaction Group

For Consideration at the February 28, 2019

- 1) To develop an exploratory economic assessment of potential greenhouse gas (GHG) sequestration pathways in agriculture, aquaculture, agroforestry, forestry, and urban forestry in Hawaii;
- 2) With the membership to be Christian Giardina, Earl Yamamoto, Scott Glenn, Melissa Miyashiro, Bobby Farias or Alan Gottlieb, and Philipp LaHaela Walter;
- 3) To coordinate and consult with any other permitted interaction groups, as needed within the scope of its task and so long as there is not a quorum of the members of the Greenhouse Gas Sequestration Task Force; and
- 4) With a deadline and deliverable date from one year of formation or as soon as possible thereafter.

Draft Science Permitted Interaction Group

For Consideration at the February 28, 2019

- 1) To measure baseline levels and increases in greenhouse gas sequestration, to build healthy soils and provide greenhouse gas benefits to participate in carbon markets and/or establish best management practices;
- 2) With the membership to be Susan Crow, Jonathan Deenik, Christian Giardina, and Philipp Lahaela Walter;
- 3) To coordinate and consult with any other permitted interaction groups, as needed within the scope of its task and so long as there is not a quorum of the members of the Greenhouse Gas Sequestration Task Force; and
- 4) With a deadline and deliverable date from one year of formation or as soon as possible thereafter.
