

Public Meeting Agenda for 2/27/14

This public meeting will follow a slightly different format than the first public meeting in January. The introductory session will be very brief, to allow time for attendees to go over handouts and review the informational poster about the site. These materials are available on the OP website starting a week before the meeting. Most of the meeting time (at least 45 minutes) will be reserved for comments. It will be similar to the comment period during the meeting in January, with microphones and each speaker identifying themselves before their comment.

	Attendees sign in and receive handouts
5:30	Welcome (Miki) Pule (Auntie Rocky)
5:35	Meeting Overview (Miki)
5:40-5:45	5-minute elevator speech covering: <ul style="list-style-type: none">• Overview of the National Estuarine Research Reserve System (NERRS)• Site Selection Process in Hawaii• Benefits for the Selected Site• Summary of Responses to Comments (Jesse)
5:45-6:15	Time to read through handout material, view poster, read comments and responses
6:15-7:00	Talk story session among the group, facilitated by Miki; speakers identify themselves before each comment and use microphones, speak for a few minutes

Handouts will include:

- Blue folders with background information on the national NERR system
- Maps of the proposed site at Heeia
- Summaries of the site selection process and benefits of for the selected site
- Responses to comments

Poster summarizes research, education, stewardship and monitoring activities currently going on in Heeia among the site proposal partners
