

Ocean Resources Management Plan Working Group

MEETING AGENDA

Office of Planning Conference Room
Wednesday, Nov. 7, 2007; 9a.m.- noon

I. Opening Comments

II. Refocusing

III. Implementation Priorities

The definition of “priorities” for the purposes of the tasks at hand, will be: What your agency can commit to working on in the next 2 years/what is practical. (Two years: July 2007-June 2009)

Note: After workplans are done for all ongoing activities and priorities, we will start to focus on what actions we would *like* to do, but don't have the resources to do. This is where the group can hopefully collaborate and find shared goals and efforts.

IV. Agency Work Plans

Due date for agency work plans for all strategic actions being implemented in 2 years: **Jan. 15, 2008**. Bring draft work plans to Dec. 5th meeting.

V. Working Group Presentations
