

Understanding and Addressing Land-Based Pollution (LBP) Discussion

ORMP Focus Area 2: Land-Based Pollution

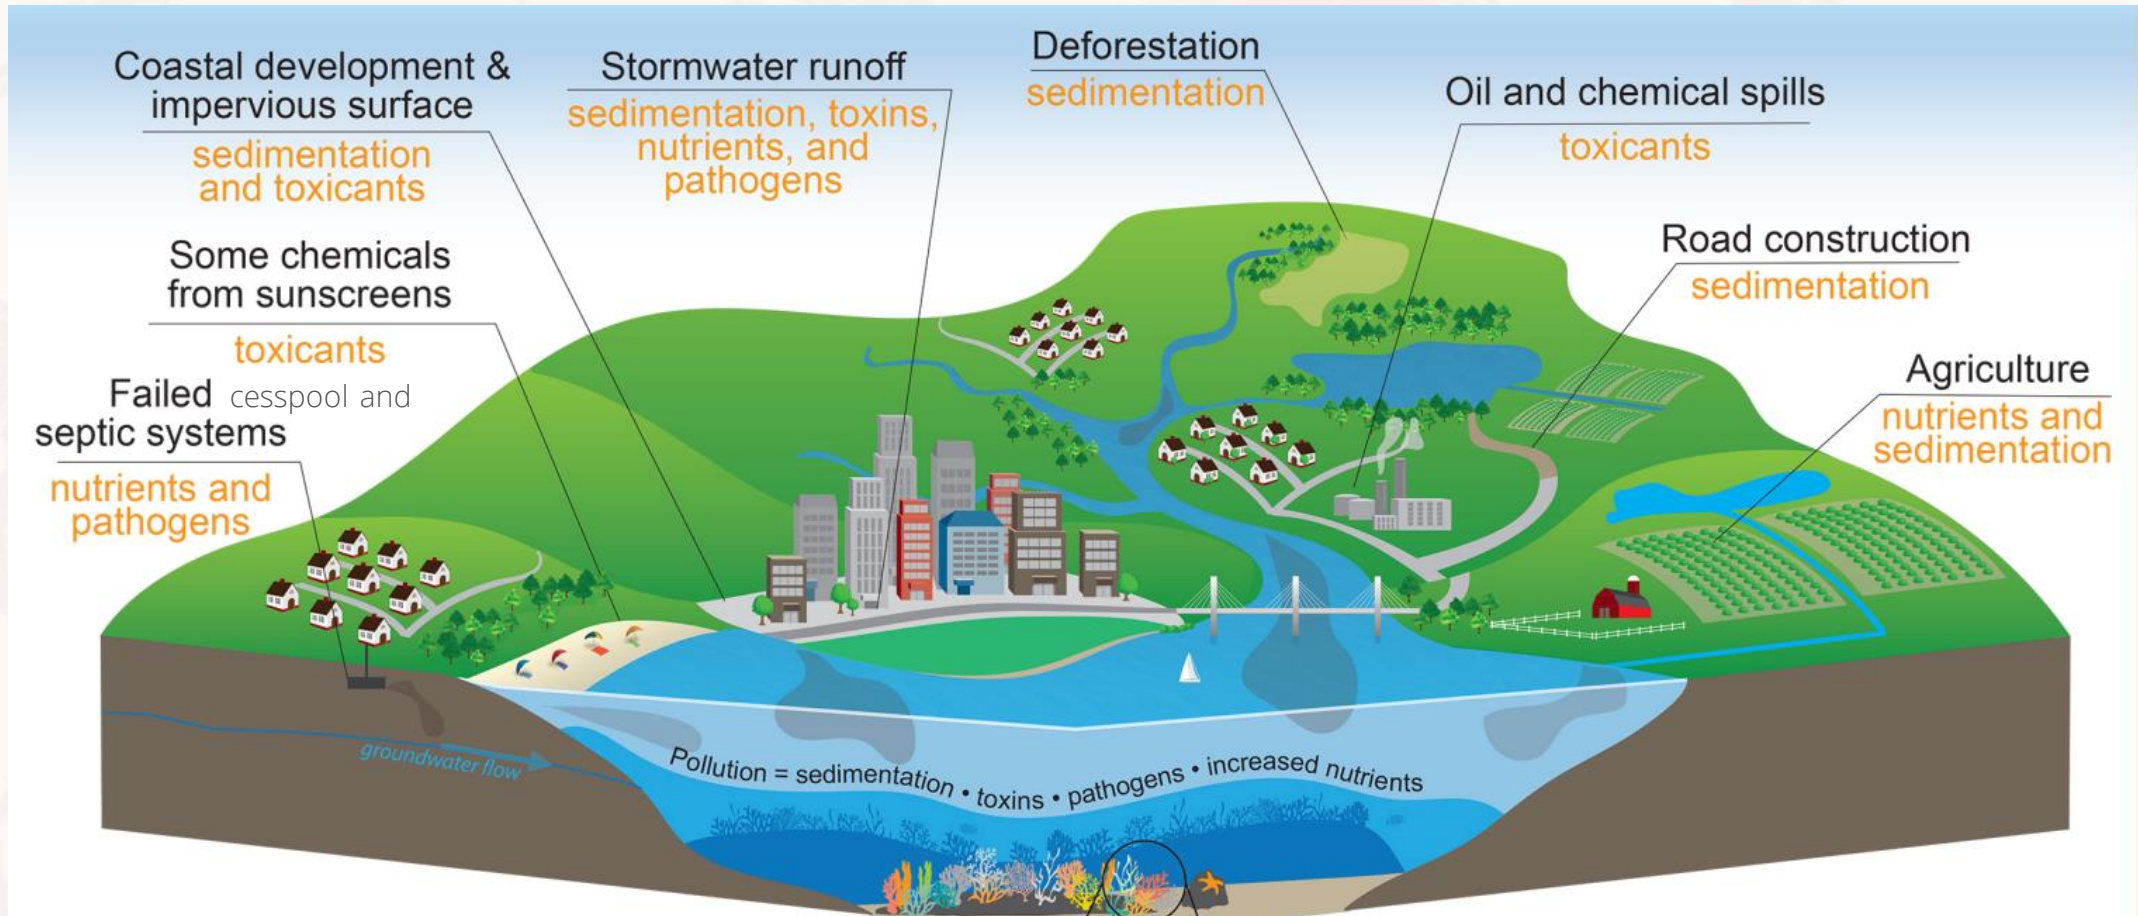

- Objectives:

1. Increase understanding of LBP across the ORMP Working Group.
2. Introduce LBP mgmt report and leverage discussion for actionable next steps under LBP Focus Area.

- Structure:

- ❖ LBP mgmt report overview
- ❖ Subject-matter panelist discussion
- ❖ CWG Q&A, discussion

Defining Land-Based Pollution defined as non-point source pollution

Report Overview: "Identifying Framework for Land-Based Pollution Management in the Hawaiian Islands"

- Written by UH-Sea Grant on behalf of CZM Program. Finalized Jan 2022.
- Approach: stakeholder interviews across federal, state, and county agencies; and literature review.
- Purpose: to recommend potential FA2 projects, and identify research needs and agency partners to collaborate with.

Report Structure

4 Sections

1. Multi-Jurisdictional management of LBP
2. Successes and Shortfalls of the Current Management System
3. Suggested Research Needs
4. Recommendations

The background features a repeating pattern of tropical elements in a light beige color. It includes palm trees of various sizes, birds in flight, and several fish swimming. The overall style is clean and minimalist.

Panel Discussion
