Aloha,
I have a suggestion regarding life in Mililani.

I would like to see Kipapa Gulch officially renamed to Kipapa Valley.

I grew up in arid terrain and I can tell you that ain't no gulch! (No sage brush, no rattlesnakes, and no coyotes !!).

Every other such landscape is called a valley. Why Kipapa is called a gulch is a mystery to me. Its too scenic to be a gulch.

Our lush vale should have a more appropriate name.

Mahalo,

Kevin J. Cole, Mililani
