4	1847292	Halema'uma'u Overlook	Locale	Halema'uma'u Overlook	PNH	Bobby Camara: should be Halemaumau; Pua Kanahale (HAVO Kupuna Group) during meeting at volcanoes 10-15 yrs ago, and Pelehanua from Ka'ū, said don't put 'okina in the word, because leaving them out allows speakers to pronounce it the way they want, depending on the activity at the crater; common usage "house surrounded by or constructed of amau fern frond;" some are red; halemaumau means "house of everlasting fire" current eruption started in 2008; HBGN: associative, decided to retain the spelling with the 'okina as decided in prior year, 1-11-17	Kilauea Crater

In Ulukau there are a number of references to Houpookāne, that also note that it has been misspelled in other references as Hopukani. It is one of several springs that provides water to the Pōhakuloa training area and the county park; "Houpo" means diaphragm, chest, solar plexus. Pursuant to HBGN Style Guide, the spelling should be concatenated, Houpookāne, removing the word "Springs," 10-22-18.	Ahumoa

4	360058	Kalanaokuaiki Pali	Cliff	Kulanaokuaiki	HBGN	PNH: Kalanaokuaiki Pali Bobby Camara: should be Kulanaokuaiki based on Boundary Commission testimony ca. 1873, HAVO Hawaiian Advisory Group (aka Kupuna) field trip ca. 1998, and email correspondence ca. 1999; HBGN: more research needed, 1-11-17 HBGN: the Board reviewed documents provided by Bobby Camara regarding the decision made by the HAVO Kupuna group (ca. 1998); they discussed possible reasons for name variations in maps and other documents -- transcription errors from map-to-map or errors in the longhand transcription of spoken testimony of similar sounding words -- the Boundary Commission Book (ca. 1875) spells this location as "Kulanaokuaike," (though in Soehren's ulukau.org site, this same reference lists the spelling as "Kulanaokuaiki"), Boundary Commission testimony spells it as "Kulanaokuaiki" and "Kulono o kuaiki" from two separate individuals; the Kupuna settled on "Kulanaokuaiki" as the most appropriate -- "kulana" has the dictionary meaning of "shaky, wobbly, unsteady" and the area is seismically very active; "kua iki" means little back or spine and describes the ridge; the Board also found several entries in ulukau.org -- three are the same as Boundary Commission Book and testimony noted above, the fourth is in a table of place names in that area; the Board concurs with the spelling endorsed by the Kupuna, "Kulanaokuaiki" and requests that "Kulono o kuaiki" be listed as a variant in the GNIS. 1-10-18	Makaopuhi Crater

7		NEW NAME		Kapalilua	HBGN	ALKA: there are disagreements over which areas are included and which are not; some ahupua'a of South Kona are definitely within the region; Nahaku Kalei (ALKA) will provide summaries of conversations with kupuna about this place; she will also provide a summary description of the area, as well as which areas are agreed upon and which are in disagreement; more research needed 4-11-18 HBGN: Holly McEldowney (DLNR) found eight or nine references to Kapalilua in the Mahele Book; she also found Registered Map 1282 called "Palilua." The map starts at Manukā at the border of Ka'ū and Kalāhiki; she colored in the places that were said to be in Kapalilua. Ms. Kalei put together a listing of ahupua'a within the region. Brad Wong (OHA) provided various passages from Ulukau that contained references to Kapalilua (the passages also cited their sources). Ms. Kalei provided a central point (lat/long) on the application form; the board discussed this evidence along with the written documentation that Ms. Kalei provided; HBGN voted to approve this new name application. 6-13-18

7		NEW NAME		Kekaha	PNH	PNH: Ke-kaha. Land area, North Kona, Hawai'i; HBGN: Nahaku Kalei (ALKA) will provide a description of the extent of this area. She requested that Kekahawai'ole and Kekahawai'ole o nā Kona be added as variants; the mo'olelo for this place is that it's a region without water, but there is a lot of groundwater in this area, a lot of water is pumped out of this area; punawai; it's in North Kona, and starts on northern end at Keahualono and continues south to Pu'uokaloa at Keahuolū; there is a state beach park in that area, "Kekaha Kai State Park" that doesn't show up in the GNIS; awaiting further documentation, 4-11-18 HBGN: ALKA provided lat/long for a central point for Kekaha. From the story of Kamiki in Ka Hōkū o Hawai'i (ca. 1917), the area extends from Keahuaolono, which is the boundary between S. Kohala and N. Kona, to the hill of Pu'uokaloa at Keahuolu; it is also described in an 'Ōlelo No'eau proverb; HBGN voted to approve this new name application, 6-13-18

5	1853077	North Kohala District	Civil	North Kohala District	PNH	ALKA: Maly, K.1999. Ke Ala Loa – Ala Nui Aupuni Kawaihae to ‘Anaeho‘omalua, Kohala. P.24-25: “At one point during their adventure, Ka-Miki reportedly called out in praise of the lands of Kohala, describing the boundaries and famed pu‘u (hill) formations of the district in the following saying: O Kohala nui, o Kohala iki, o Kohala loko, o Kohala waho , o Kohala makani ‘Āpa‘apa‘a, o Pili o Kalāhikiola, o Na-pu‘u-haele-lua. ‘Oia ho‘i! ‘Oia la! O nā ‘okina iho la ‘ia o ka ‘āina ha‘aheo i ke kāhilia ka makani ‘Āpa‘apa‘a e ho‘ola‘au mai ana me he ipo ala ka nē hone i ka poli o ke aloha — Large Kohala, little Kohala, inner Kohala, outer Kohala, Kohala of the ‘Āpa‘apa‘a wind, of Pili and Kalāhikiola, the two traveling hills. Indeed! They are the combined sub-districts of this proud land brushed by the ‘Āpa‘apa‘a wind, maturing like a love nestled fondly in the bosom of love (Ka Hoku o Hawai‘i, March 22,1917). For generations, sayings like the one above, have been spoken in praise of Kohala and its various land divisions which extend from Honoke‘ā on the Hāmākua boundary to Ke-ahu-a-Lono on the Kona boundary.” Desha, Rev. S. L. 2000. Kamehameha and His Warrior Kekūhaupi‘o. p.196: The Kīpu‘upu‘u army was divided into various sections, one of them being those trained in the use of the bow and arrow, led by a very skilled ali‘i named Waheakalani of Kawaihae. The warriors trained in the use of slingstones were led by Ha‘awenui of Kohalaloko who was very skilled in this type of warfare. The division carrying the spears and stone battle-adzes were led by Nu‘uanuakalani‘ōpu‘u as the general of this army. Excerpt from the Hawaiian Nupepa Collection: KA MAKAAINANA. Buke 7, Helu 10, Aoao 1. 8 Malaki 1897. ‘ao‘ao 3 “Ke ku kona moku i ke awa no hoolei oia i kana na opelu he nui loa i kana upena. 7	1905609	Wainanalii Pond	Lake	Wainānālī'i Pond (historical)	PNH	3/21/13 HBGN: Mr. Camara believes that the coordinates in the GNIS are wrong and point to a pond at Kīholo village, which is identified in literature as "Kamehameha's pond at Kīholo;" a lava flow wiped out Kamehameha's built pond, so it's not clear if these small ponds are remnants or developed after the event. The turquoise lagoon in Kīholo is (mis)labeled as "Wainānālī'i Pond" on some topographic maps. Using satellite imagery from Google, Mr. Camara approximated the coordinates of the actual location of Wainānālī'i Pond in the center of a lava-filled area north of the Kīholo area. The line of green vegetation halfway between the highway and the coast mark the location of the remnants of Wainānālī'i village and pond are. Wainānālī'i was a village, a pond and a bay. [Note: the village and bay are not listed in the GNIS]. Mr. Camara provided a transcription of Harpers Weekly describing the filling of Wainānālī'i Pond, 10-22-18.	Kiholo
