

Layer Name: Adult Day Care Centers
Layer Type: Point
Status: Complete
Geog. Extent: Main Hawaiian Islands
Projection: Universal Transverse Mercator, Zone 4 (Meters)
Datum: NAD 83 HARN

Please note - if you are using data in the [State's web services](#) or downloading from the [State's geoportal](#), the data is served and exported in WGS84 coordinates, although it is stored internally (in the State's geodatabase) in UTM coordinates.

Description: Locations of adult day care centers in the State of Hawaii as of March 2020. As defined in Hawaii Administrative Rules ([HAR 17-1424](#)), adult day care centers are characterized as licensed facilities maintained and operated by an individual, organization, or agency for the purpose of providing regular supportive care to four or more disabled adult participants, with or without charging a fee.

Source: Hawaii State Department of Health, Office of Health Care Assurance (OHCA). For more information regarding the source, [click here](#).

History: This dataset was created from a table in Excel format downloaded from the Hawaii State Department of Health, Office of Health Care Assurance. The address field was used to initially locate the hotels by geocoding using the "ArcGIS Maps for Office" extension within Excel. Further rectification was done using various sources including Google Maps, organization websites, etc.

Attributes:

Points:	
Name	Facility Name
Capacity	Facility Capacity
Island:	Island (in the case of Hawaii island, East or West Hawaii is specified)
Mailing_Address	Mailing Address
Physical_Address	Physical Address (<i>if different than mailing address</i>)
