Description: Locations of adult day health centers in the State of Hawaii as of March 2020. As defined in Hawaii Administrative Rules ([HAR 11-96](#)), adult day health centers are characterized as organized day programs of therapeutic, social, and health services provided to adults with physical, or mental impairments, or both, which require nursing oversight or care, for the purpose of restoring or maintaining, to the fullest extent possible, their capacity for remaining in the community. "Adult day health center" means a facility which provides adult day health care.

History: This dataset was created from a table in Excel format obtained from the Office of Health Care Assurance. The address field was used to initially locate the hotels by geocoding using "ArcGIS Maps for Office" extension within Excel. Further rectification was done using various sources including Google Maps, organization websites, etc.
