Description: Locations of adult residential care homes in the State of Hawaii **as of November 2021**. As defined in Hawaii Administrative Rules ([HAR 11-100.1](#)) an adult residential care home, or "ARCH" is defined as any facility providing twenty four hour living accommodations, for a fee, to adults unrelated to the family, who require at least minimal assistance in the activities of daily living, personal care services, protection, and health care services, but who do not need the professional health services of an intermediate, skilled nursing, or acute care facility. It does not include facilities operated by the federal government.
