

Layer Name: Department of Health Building Locations as of December, 2014
File Name: bldgs_doh
Layer Type: Point
Status: Complete
Geographic Extent: Islands of Hawaii, Kauai, Lanai, Maui, Molokai, and Oahu
Projection: UTM Zone 4 (meters)
Datum: NAD 83 HARN

Please note - if you are using data in the [State's web services](#) or downloading from the [State's geoportal](#), the data is served and exported in WGS84 coordinates, although it is stored internally in UTM coordinates.

Description: This data shows the location of Department of Health facilities throughout the state of Hawaii as of December, 2014

Source: State Department of Health (DOH), Environmental Planning Office, December, 2014

History: Addresses were obtained from the Hawaii Department of Accounting and General Services' Administrative Services Office (ASO). The Environmental Planning Office verified all addresses and then geocoded them using the ArcGIS Online World Geocoding Service in December 2014. Shapefile was then projected into UTM Zone 4.

Attributes:

Points:	
X	Geographic X coordinate in decimal degrees
Y	Geographic Y coordinate in decimal degrees
DisplayX	Geographic X coordinate in decimal degrees, for display purposes
DisplayY	Geographic Y coordinate in decimal degrees, for display purposes
