

Layer Name: HDOT Existing Raised Crosswalks

File Name: crosswalks_raised_state_existing

Layer Type: Point

Status: Complete

Geog. Extent: Main Hawaiian Islands

Projection: Universal Transverse Mercator, Zone 4 (Meters)

Datum: NAD 83 HARN

Please note - if you download data from the State's geoportal (<https://geoportal.hawaii.gov/>), the data is exported in WGS84 coordinates, although it is stored internally (in the State's geodatabase), served in the State's web services (<https://geodata.hawaii.gov/arcgis/rest/services>) and made available in the State's legacy download site (<https://planning.hawaii.gov/gis/download-gis-data-expanded/>) in UTM / NAD 83 coordinates.

Description: This dataset shows the locations of raised crosswalks on the state highway system.

Source: Hawai'i Department of Transportation, Highways Division

https://services.arcgis.com/HQ0xoN0EzDPBOEci/arcgis/rest/services/Raised_Crosswalks_2022_p/FeatureServer

History: This dataset was developed in 2020. It is updated annually, or as needed. Received by the Hawai'i Statewide GIS Program from Hawai'i DOT, Highways Division September 2022.

This layer is maintained by the Hawai'i Department of Transportation, Highways Division and is available as a feature service in the link shown above. It is provided on the State of Hawai'i GIS downloading site as a service to the public. Data is provided by the Hawai'i DOT to the GIS Program periodically or as data is updated. For more information about the HDOT Pedestrian Master Plan, please visit <https://highways.hidot.hawaii.gov/stories/s/Pedestrian-Planning/a6mu-vr5z>.

Attributes and contact information shown on the following page

Attributes:

ROUTE_NAM: Route Name (example, Farrington Hwy)

ROUTE_NUM: Route Number (example, 76)

DATE_INSTALL: Date Installed (example, 2020)

INTERSECTION: Intersection (example, Kilaha St)

NOTES: Notes (example, school crossing)

Note: The Hawai'i Department of Transportation strives to provide the most accurate and updated data possible. However, if you see an error on this map, please contact

DOT.BikePedProgram@Hawaii.gov.
