Description: Islands of Maui & Lana'i Land Use Zoning Designations, Maui County Code, Chapter 19 Zoning.

Source: County of Maui, November 10, 2020

History: Received from Maui County Department of Planning, created from various Land Zoning Maps and comprehensive zoning ordinances current as of October, 2020. Where zoning lines follow parcel boundaries, the parcel data layer was used as a background. Due to frequent improvement in the spatial accuracy of the Maui County Real Property Tax's TMK GIS layer, this zoning layer is currently aligned to the 2019 parcels and will have alignment issues with subsequent versions. The Department of Planning intends to update and align the zoning layer with a more recent TMK GIS layer, however does not have an estimated date for completion at this time. Updates to the zoning layer are done in Esri's ArcGIS software. Digital zoning for the island of Molokai will be added in a future update, upon adoption by Maui County Council.
