History: Received from the State Department of Hawaiian Homelands, November 4, 2021. Note that this is the same data provided to the US Census Bureau for use in the 2020 Census. OPSD staff project to UTM Zone 4, NAD 83 HARN, removed extraneous fields (e.g., State Code), and added population data by joining to census table using GEOID20 field.

NOTE: This layer is the official Department of Hawaiian Homelands layer. The 2020 Census Hawaiian Homelands Layer erroneously depicts lands in Makaha as Hawaiian Home Lands. Department of Hawaiian Homelands does not own property in Makaha.
