

Layer Name: Enterprise Zones

File Name: entzones

Layer Type: Polygon

Status: Complete

Geog. Extent: Islands of Kauai, Oahu, Hawaii, Molokai, Lanai and Maui.

Projection: Universal Trans Mercator, Zone 4 (Meters)

Datum: NAD 83 HARN

Description: Enterprise Zones are authorized under Chapter 209E, HRS, as amended. The governor is authorized to designate up to six enterprise zones per county for a period of twenty years. **Enterprise Zones updated March 2020. GIS layer subsequently updated August 2020.**

Source: Specific boundary definitions were provided by the Business Development & Support Division, DBEDT. City & County of Honolulu provided the Oahu boundaries. New Big Island boundaries provided by County of Hawaii Planning Dept. Updated Kauai boundaries were provided by the Kauai County. Updated Maui County Boundaries provided by Maui County.

History: Some portions of the boundaries were extracted by OP staff from USGS DLG files and US Census TIGER files, while other portions were digitized from USGS 7.5" topographic paper quadrangles, in 1995 and 1997. Oahu, Hawaii and Molokai were updated in 1999. North Kohala, Lanai, and East Maui were added in May 2000. Koolauloa, Waianae, and Honolulu zones were added in May 2001. New Big Island boundaries (effective 12/18/01) were added Jan 2002. Maui boundaries corrected 6/19/02. Updated boundaries of North Shore of Oahu added on Sept 2002. Updated Mililani/Wahiawa zone on Oahu by including TMK: 7-6-001:002 and 9-5-002:003 into the EZ, June 2003. Census Tract 38 in Honolulu added to the EZ on Dec. 2004 (effective date: 9/7/04). The Coastline for Oahu were revised to follow the 1983 USGS Digital Line Graphs, Apr 2005. Greater Maui and West Maui were included into the Maui Enterprise Zones effective 05/31/06. The Hilo-Puna Enterprise Zone and the North Kohala Enterprise Zone on Hawaii Island were expanded, Apr 2008 (effective date: 2007). The Waimanalo Enterprise Zone was added on Oahu, Apr 2008 (effective date: 2008). The Mililani-Wahiawa Enterprise Zone on Oahu was expanded (area around Whitmore Village), Nov 2015 (effective date: 2015).

Hawaii County (effective December 24, 2015):

- Hamakua, Hilo-Puna, and Kau were revised and re-designated
- The North Kona and South Kona zones were revised and merged to create the Kona Enterprise Zone

Honolulu County (effective August 18, 2016):

- North Shore/Wahiawa/Mililani area was reconfigured into one Enterprise Zone
- Waipio Enterprise Zone was newly designated
- Ewa/Central Oahu area was reconfigured

Kauai County (effective September 19, 2016):

- Expansion of the South Central Kauai Enterprise Zone to include the Lihue EZ
- Re-designation of the North Shore Kauai, Kapaa and West Kauai Enterprise Zones

Hawaii County (effective January 21, 2020)

- North Kohala Enterprise Zone was revised and re-designated

Maui County (effective March 25, 2020)

- Lanai Enterprise Zone was re-designated

Maui County – Greater Maui (effective March 26, 2020)

- Greater Maui was revised, merged with East Maui, and re-designated
