Layer Name: County Parks
File Name: parks_county
Layer Type: Polygon
Status: Complete (for the City and County of Honolulu)
Geog. Extent: Islands of Oahu only
Projection: Universal Transverse Mercator, Zone 4 (Meters)
Datum: NAD 83 HARN

Please note - if you are using data in the State’s web services or downloading from the State’s geoportal, the data is served and exported in WGS84 coordinates, although it is stored internally in UTM coordinates.

Description: Parks, open spaces and outdoor recreational facilities managed and maintained by the City and County of Honolulu as of October 2021. The Statewide GIS Program is working with other counties to create a layer of county parks for all counties in the future.

Source: Downloaded from the City and County of Honolulu Open Geospatial Data Portal 10/6/21. Some county database-maintenance-specific fields were removed (e.g., link-id, which linked to an internal City database, etc.). Projected to UTM Zone 4 NAD 83 HARN.

NOTE: This layer is maintained by the C&C of Honolulu Honolulu Land Information System (HOLIS). It is provided on the State of Hawaii GIS download sites as a service to the public.

To obtain the latest copy of the layer, users should visit the HOLIS open geospatial data site - http://honolulu-cchnl.opendata.arcgis.com/.

Use Limitations: City and County of Honolulu Use Limitations: Information shown on these maps are derived from public records that are constantly undergoing change and do not replace a site survey, and is not warranted for content or accuracy. The City does not guarantee the positional or thematic accuracy of the GIS data. The GIS data or cartographic digital files are not a legal representation of any of the features in which it depicts, and disclaims any assumption of the legal status of which it represents. Any implied warranties, including warranties of merchantability or fitness for a particular purpose, shall be expressly excluded. The City and County of Honolulu encourages GIS data users to verify the suitability of the data before use. Please report any discrepancies or errors found to gis@honolulu.gov
