

Layer Name: County Parks – Hawaii County  
File Name: parks\_county\_haw  
Layer Type: Polygon  
Status: Complete (for the County of Hawaii)  
Geog. Extent: Island of Hawaii only  
Projection: Universal Transverse Mercator, Zone 4 (Meters)  
Datum: NAD 83 HARN

*Please note - if you download data from the State's geoportal (<https://geoportal.hawaii.gov/>), the data is exported in WGS84 coordinates, although it is stored internally (in the State's geodatabase), served in the State's web services (<https://geodata.hawaii.gov/arcgis/rest/services>) and made available in the State's legacy download site (<https://planning.hawaii.gov/gis/download-gis-data-expanded/>) in UTM / NAD 83 coordinates.*

Description: Parks, open spaces and outdoor recreational facilities managed and maintained by the County of Hawaii as of March 2023. Dataset created by Hawaii County Department of Research and Development. This dataset features Parks and Recreation locations on Hawaii Island.

Source/History: Received by Hawaii Statewide GIS Program from County of Hawaii, March 2023. Projected to UTM Zone 4, NAD 83 HARN. Some County of Hawaii database-maintenance-specific fields were deleted before publishing – e.g., COH staff database editor name, etc. County of Hawaii processing steps: Parks locations joined with April 2022 TMK Parcel Boundaries for the County of Hawaii.

Note: Hawaii County maintains a version of this layer that includes information about 2022 Summer Fun locations at County parks and recreational facilities, including which parks were used for summer fun programs, types of programs held, and number of participants. For more information on this data, please contact the Hawaii County Department of Parks and Recreation at [parks\\_recreation@hawaiicounty.gov](mailto:parks_recreation@hawaiicounty.gov).

Use Limitations: The parcel boundaries are intended to provide a visual reference only and do not represent legal or survey level accuracy. Attributes are subject to change at any time for content or accuracy.

Information shown on these maps are derived from public records that are constantly undergoing change and do not replace a site survey, and is not warranted for content or accuracy. The County and State do not guarantee the positional or thematic accuracy of the GIS data. The GIS data or cartographic digital files are not a legal representation of any of the features in which it depicts, and disclaims any assumption of the legal status of which it represents. Any implied warranties, including warranties of merchantability or fitness for a particular purpose, shall be expressly excluded. The County and State encourages GIS data users to verify the suitability of the data before use. Please report any discrepancies or errors found.
