

DELEGATION OF TESTIMONY AUTHORITY TO TOD COUNCIL CO-CHAIRS (2026)

One of the duties of the Hawai'i Interagency Council for Transit-Oriented Development (TOD Council) is to recommend policy, regulatory, and statutory changes, and identify resources strategies for the successful execution of the (State TOD) strategic plan, Hawai'i Revised Statutes (HRS) 226-A(b)(6). The TOD Council is subject to the Sunshine Law of Chapter 92, HRS. In 2015, the Office of Information Practices (OIP) issued an advisory as to how Boards can and should submit legislative testimony on a timely basis while still following the Sunshine Law (<https://oip.hawaii.gov/laws-rules-opinions/sunshine-law/>). The Sunshine Law (<https://oip.hawaii.gov/wp-content/uploads/2022/08/QR-SL-Legislative-Options-2022.pdf>) provides options to address State legislative issues and measures. The First Option, Delegation to Staff, suggests that the TOD Council delegate the authority to staff (e.g., Co- chairs) to submit legislative testimony on behalf of the TOD Council using its letterhead, in accordance with positions and policy directives adopted by the TOD Council. Such delegation to the Co-chairs provides a practical way to timely address legislative matters while complying with the Sunshine Law.

The Co-chairs would continue to report to the TOD Council on all legislative measures at the Council's regularly scheduled meetings and may seek confirmation or clarification of testimony that will or has been presented to the Legislature.

There are numerous TOD-related measures that are taken up by the State Legislature, and to a lesser extent, County Councils that affect TOD and the TOD Council. A general summary of the types of legislative measures expected, along with the proposed TOD Council positions as follows:

1. Strategic Plan and TOD project appropriations.
Position: Support measures for implementation of the TOD Strategic Plan and appropriations for TOD Projects in the Strategic Plan, provided that passage of any appropriations does not replace or adversely impact priorities indicated in the Executive Budget.
2. Administration bills related to the duties and administration of the TOD Council.
Position: The TOD Council, through the Co-chairs, should provide supporting testimony on administration bills related to the duties and administration of the TOD Council.
3. Measures which propose to give the TOD Council additional resources or powers.
Position: Support the intent provided that its passage does not replace or adversely impact priorities indicated in the Executive Budget; and/or support expanded capacity or powers provided they are in line with the TOD Council's mission and do not impair existing programs.
4. Measures which propose to revise the TOD Council's existing programs.
Position: Oppose revisions that impose restrictive requirements that negatively impact the financial feasibility of projects or the program itself. Support revisions that provide greater flexibility in meeting the TOD Council's mission.
5. Measures which propose to diminish the TOD Council's resources or powers.
Position: Oppose.

6. Measures which relate to TOD.

While the TOD Council generally does not testify on measures that do not impact the TOD Council, legislators may ask the TOD Council for testimony on other transit-oriented development measures.

Position: None; however, provide information
