*SB2176* is also referred to HB1600.

Hawai‘i Interagency Council for Transit-Oriented Development

before the
SENATE COMMITTEES ON HOUSING AND WATER AND LAND
Thursday, March 17, 2022
1 PM
State Capitol, Conference Room 225

in consideration of
HB 2023, HD1
RELATING TO TRANSIT-ORIENTED DEVELOPMENT

Chairs Chang and Inouye, Vice Chairs Kanuha and Keith-Agaran, and Members of the Senate Committees on Housing and Water and Land.

The Hawai‘i Interagency Council for Transit-Oriented Development (TOD Council) **strongly supports** HB 2023, HD1. The TOD Council is comprised of 25 members representing State agencies, the counties, the State Senate and House of Representatives, the Honolulu office of the U.S. Department of Housing and Urban Development, and affordable housing, business, and development interest groups. The TOD Council is charged with coordinating and facilitating State agency TOD planning and facilitating consultation and collaboration between the State and the counties in support of State and county TOD and Smart Growth initiatives.

HB 2023, HD1 authorizes the issuance of general obligation bonds and appropriates funds for planning and coordination of transit-oriented development projects identified in the *State of Hawai‘i Strategic Plan for Transit-Oriented Development*. The appropriation would provide critical funding for State and county agencies to kick start or supplement work on TOD projects. The availability of these funds allows planning for TOD projects to move forward concurrent with the many other funding priorities of individual agencies, advancing the delivery timeline for agencies’ affordable housing, mixed-use development, or mobility hub projects.

Thank you for the opportunity to testify on this measure.

before the
SENATE COMMITTEES ON GOVERNMENT OPERATIONS AND JUDICIARY
Thursday, March 17, 2022, 3 PM
State Capitol, Conference Room 016

in consideration of
HB 2085

PROPOSING AMENDMENTS TO ARTICLE VII, SECTIONS 12 AND 13, OF THE HAWAII CONSTITUTION TO EXPRESSLY PROVIDE THAT THE LEGISLATURE MAY AUTHORIZE THE COUNTIES TO ISSUE TAX INCREMENT BONDS AND TO EXCLUDE TAX INCREMENT BONDS FROM DETERMINATIONS OF THE FUNDED DEBT OF THE COUNTIES.

Chairs Moriwaki and Rhodes, Vice Chairs Dela Cruz and Keohokalole, and Members of the Committees on Government Operations and Judiciary.

The Hawai‘i Interagency Council for Transit-Oriented Development (TOD Council) strongly supports HB 2085. The TOD Council is comprised of 25 members representing state agencies, the counties, the State Senate and House of Representatives, the Honolulu office of the U.S. Department of Housing and Urban Development, and affordable housing, business, and development interest groups. The TOD Council is charged with coordinating and facilitating state agency TOD planning and facilitating consultation and collaboration between the State and the counties in support of State and county TOD and Smart Growth initiatives.

If approved by the Legislature and voters in November 2022, it would allow the counties to consider a value capture tool to finance costly infrastructure projects. These critical improvements often increase property values which can be captured for cost recovery of State costs for funding infrastructure improvements. The availability of these tools allows planning for infrastructure (e.g. sewer, water, etc.) to support affordable housing, mixed-use development, or mobility hub projects to move forward more efficiently.

Thank you for the opportunity to testify on this measure.
