Technical Notes: The HTA received corrected passenger counts from airlines traffic summary reports which mainly impacted the Canadian market. The corrections were significant enough to warrant revisions to published statistics (visitor arrivals, visitor days, expenditures) for January and February 2017. Updated data tables are available on the HTA website.

Technical Notes: The HTA received corrected passenger counts from airlines traffic summary reports which mainly impacted the Canadian market. The corrections were significant enough to warrant revisions to published statistics (visitor arrivals, visitor days, expenditures) for January and February 2017. Updated data tables are available on the HTA website.
