EXECUTIVE MEMORANDUM

MEMO NO. 11-02

TO: All Department Heads

SUBJECT: Fourth Interim Budget Execution Policies and Instructions for
FY 11 - Fourth Quarter Allocation Only

As we move further into the second half of the fiscal year, it is anticipated that Hawaii's economic recovery will continue. The visitor and hospitality industry has shown continued growth in visitor arrivals and spending which has fueled much optimism. This industry will continue to play an essential role in our State's recovery as a major economic driver which will help to stimulate other areas of our economy.

At its meeting on December 29, 2010, the Council on Revenues (COR) slightly increased its projected FY 11 general fund revenue growth rate of 2.0 percent to 3.0 percent. As preliminary general fund tax collections through November 2010 indicate a 5.5 percent decrease in revenues for FY 11 (net of 5.3 percent increase adjusted by \$187.4 million in deferred tax refunds paid out in July 2010), general fund revenues must maintain a 8.6 percent growth rate for the remainder of FY 11 in order to meet the COR's forecasted growth rate of 3.0 percent.

While we are optimistic and hopeful about Hawaii's economic recovery, we must continue to work together to ensure the State's prosperous future. However, we must also remain cautious due to the many uncertainties which could significantly impact the State's revenues. As such, careful and prudent spending through the remainder of FY 11 is advised.

To ensure that all departments efficiently and appropriately utilize their resources, the following actions are hereby authorized for FY 11:

1. Effective immediately, departments will receive their respective budget allocations for all four quarters of FY 11.

The revised Exhibit 1 contains your department's First, Second, Third and Fourth Quarter allocation, which is the total of your department's FY 11 operating program appropriations from Act 162, SLH 2009, as amended by Act 180, SLH 2010. The new allocation also reflects adjustments that were previously authorized.

2. Except for allocation amounts, all other current budget execution policies as contained in the following Executive Memoranda will continue until further notice.
 - Executive Memorandum (E.M.) No. 08-03, *FY 09 Budget Execution Policies and Instructions* (dated June 23, 2008).
 - E.M. No. 08-05, *Amendments to E.M. No. 08-03* (dated August 26, 2008).
 - E.M. No. 09-06, *Third Interim Budget Execution Policies and Instructions for FY 10* (dated November 10, 2009).
 - E.M. No. 11-01, *Amendments to Budget Execution Policies* (dated January 19, 2011).

Questions on the specific policies and instructions should be directed to B&F or the appropriate agency referenced.

Your continued hard work and dedication to maintain State services during these uncertain times is sincerely appreciated.

NEIL ABERCROMBIE
Governor, State of Hawaii
