DECISION AND ORDER

I.

By an application filed on April 25, 2002, VERIZON HAWAII INC. (Verizon Hawaii) seeks commission approval of LEVEL 3 COMMUNICATIONS, LLC’S (Level 3 Communications) adoption of the negotiated interconnection agreement with Ciera Network Systems, Inc. (Ciera Network Systems) and Verizon Hawaii. Verizon Hawaii makes its request pursuant to 47 United States Code (U.S.C.) § 252(i).

Copies of the application and agreement were served on the Department of Commerce and Consumer Affairs, Division of Consumer Advocacy (Consumer Advocate). On July 19, 2002, the Consumer Advocate submitted its position statement stating it does not object to the commission's approval of the instant application with qualifications.

The Consumer Advocate requests that it be allowed to continue its review of the different terms in interconnection agreements approved by the commission regarding reciprocal compensation not applying to voice information service traffic.
In accordance with 47 U.S.C. § 252(e), if a state commission does not act to approve or reject a negotiated interconnection agreement within 90 days after the agreement is submitted to the commission, "the agreement shall be deemed approved." The 90th-day deadline governing the commission's review is on or about July 23, 2002.

II.

Verizon Hawaii is a corporation duly organized and existing under and by virtue of the laws of the State of Hawaii (State), and engaged in the provision of varied telecommunications services to its customers and the general public within its chartered territory in the State. Verizon Hawaii is an incumbent local exchange carrier as defined by 47 U.S.C. § 252.

Level 3 Communications is a certified facilities-based carrier and reseller of telecommunications services in the State, and a telecommunications carrier as defined by 47 U.S.C. § 252.

The scope of the agreement includes interconnection, resale, network elements, collocation, and other services. The initial term of the agreement is from April 12, 2002 to September 30, 2003.

\footnote{Accord Hawaii Administrative Rules (HAR) § 6-80-54(c).}

\footnote{Decision and Order No. 17053, filed on June 29, 1999, in Docket No. 99-0049.}
The interconnection agreement was consummated through voluntary negotiations between the parties, as contemplated by 47 U.S.C. § 252(a), and addresses interconnection services provided pursuant to 47 U.S.C. § 251. In the commission's review of the agreement, the commission is governed by 47 U.S.C. § 252(e) and HAR § 6-80-54. These sections provide that the commission may reject a negotiated agreement only if:

(1) the agreement, or any portion of the agreement, discriminates against a telecommunications carrier not a party to the agreement; or

(2) The implementation of the agreement, or any portion of the agreement, is not consistent with the public interest, convenience, and necessity.

By Decision and Order No. 19140, filed on January 10, 2002, in Docket No. 01-0420, we approved an interconnection agreement between Verizon Hawaii and Ciera Network Systems submitted on October 15, 2001. In that docket the commission concluded that the interconnection agreement did not discriminate against other telecommunications carriers, and the implementation of the agreement was consistent with the public interest, convenience and necessity. Accordingly, we conclude that Level 3 Communications' adoption of a negotiated interconnection agreement between Ciera Network Systems and Verizon Hawaii should be approved.
III.

1. Level 3 Communications' adoption of the negotiated interconnection agreement between Ciera Network Systems and Verizon Hawaii is approved.

2. This docket is closed.

DONE at Honolulu, Hawaii this 23rd day of July, 2002.
