Docket No. 02-0402
Decision and Order No. 20003

DECISION AND ORDER

I.

By an application filed on November 15, 2002, and amended January 10, 2003, NELSON HIILEI HANO HANO, dba WAATEVERKONA (Applicant), requests a certificate of public convenience and necessity to operate as a common carrier of property by motor vehicle over irregular routes on the island of Hawaii in the general commodities and dump truck classifications. The application is made pursuant to Hawaii Revised Statutes (HRS) § 271-12.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs (Consumer Advocate). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the

proposed service, and to conform to HRS chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for operating authority, as set forth in the application, should be granted.

III.

THE COMMISSION ORDERS:

1. Applicant is granted a certificate to operate as a common carrier of property by motor vehicle over irregular routes on the island of Hawaii in the general commodities and dump truck classifications.

2. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, paying a fee of \$20 for motor carrier gross revenues, filing the appropriate insurance documents, registering and marking the appropriate motor vehicles, and complying with the safety requirements of the Motor Vehicle Safety Office, Department of Transportation, State of Hawaii.

3. Applicant shall comply with the foregoing requirements within 120 days after service of this decision and order. Failure to comply within the time specified constitutes cause for this commission to void this decision and order.

4. Applicant shall not commence operations under this decision and order until he has received written confirmation from the commission that all requirements have been met.

DONE at Honolulu, Hawaii this 31st day of January,
2003.
