COMM SOUTH COMPANIES, INC.) Docket No. 02-0385
For approval of the transfer of
control to Arcomm Holding Co.) Decision and Order No. 20009

DECISION AND ORDER

I.

By an application filed on October 25, 2002, COMM SOUTH COMPANIES, INC. (Applicant or Comm South) requests commission approval for the transfer of control of Comm South, an authorized reseller of telecommunications services in the State of Hawaii. Applicant makes its request pursuant to Hawaii Revised Statutes (HRS) § 269-19. The Division of Consumer Advocacy, Department of Commerce and Consumer Affairs, did not submit a position statement.

II.

Applicant is a privately-held Texas corporation. Applicant is authorized to provide local telecommunications

Because the transfer of control involves neither a disposition of property nor a merger or consolidation of property with another telecommunications carrier, HRS § 269-19 is inapplicable. Instead, we will assert jurisdiction over this application and review it, pursuant to HRS § 269-7. See Decision and Order No. 17670, filed on April 12, 2000, in Docket No. 99-0392.
services in Hawaii. Applicant is a wholly owned subsidiary of Arbros Communications, Inc.

Arbros Communications Inc. (Arbros), is a Delaware corporation and is a wholly owned subsidiary of Arcomm Holding Co. (Arcomm), a corporation organized, existing and in good standing under the laws of the State of Delaware. Kwok-Leung Li is the sole director of both Arbros and Arcomm.

On June 14, 2002, Applicant underwent a corporate reorganization, whereby Arbros allocated 100 per cent of the outstanding shares of Applicant to Arcomm.

III.

The commission has jurisdiction to review stock issuances and all similar corporate transactions of the parent entity of a regulated public utility under HRS § 269-7. Under HRS § 269-7, the commission will approve the transaction if it is reasonable and consistent with the public interest. We find that the proposed transfer control of Applicant from Arbros to Arcomm, as described in the Application is reasonable and in the public interest. The record indicates that this transfer of control will not affect Applicant's fitness, willingness, and ability to provide telecommunications services in Hawaii, and will not have any adverse impact on Applicant's Hawaii customers.

\[\text{See Decision and Order No. 16289, filed on April 17, 1998, in Docket No. 98-0100.}\]
IV.

THE COMMISSION ORDERS that Applicant's request to approve the transfer of control of Applicant from Arbros to Arcomm, is granted, nunc pro tunc.

DONE at Honolulu, Hawaii this 7th day of February, 2003.
