ORDER AMENDING DECISION AND ORDER NO. 20176

I.

By Decision and Order No. 20176, filed on May 8, 2003, the commission granted GLOBAL COMMUNICATIONS CONSULTING CORP. (Applicant) a certificate of authority (COA) to provide intrastate telecommunications services within the State of Hawaii (State) on a resold basis.

By letter filed on May 16, 2003, Applicant informed the commission that it made a mistake in the initial application for a COA, filed on March 21, 2003, by requesting that its books and records be kept in the State of Utah. Instead, Applicant states the initial application should have reflected its request to have its books and records be kept in the State of New Jersey. By this May 16, 2003 letter, Applicant now requests for an amended order to reflect the correction to its mistake. We will treat Applicant's May 16, 2003 letter as a timely motion for reconsideration/

clarification of Decision and Order No. 20176 (motion for reconsideration/clarification).

II.

In light of Applicant's representations stated above, we find good cause to grant Applicant's motion for reconsideration/clarification, and amend Decision and Order No. 20176 to reflect the appropriate correction to the record. In particular, Section III of Decision and Order No. 20176 should be amended to state, in relevant part, the following:

Applicant requests that its books and records be kept in the State of New Jersey and assures the commission that such information will be made available to the commission. This request is consistent with HAR § 6-80-136(a)(3), and the commission's approval is not necessary.

In all other respects, Decision and Order No. 20176 should remain unchanged.

III.

THE COMMISSION ORDERS:

1. Applicant's motion for reconsideration/clarification, filed on May 16, 2003, is granted.
2. Decision and Order No. 20176 is amended consistent with the terms of this order.
3. In all other respects, Decision and Order No. 20176 remains unchanged.

DONE at Honolulu, Hawaii this 29th day of May, 2003.
