ATTEST: A True Copy

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF HAWAII

In the Matter of the Application of

VERIZON HAWAII INC.

For Approval of Changes to its
Tariff to Introduce SoundDeal.

Docket No. 01-0440
Order No. 20355

ORDER

I.

By Order No. 20230, filed on June 13, 2003, the
commission directed VERIZON HAWAII INC. to implement forthwith
its updated phase-out plan, filed on May 30, 2003, of its Local
and Toll Package ("LTP").\(^1\) Subsequently, by letter dated
July 23, 2003, Verizon Hawaii Inc. filed its revised, updated
phase-out plan.\(^2\)

II.

A.

Verizon Hawaii Inc. represents that:

1. Initially, it intended to migrate its remaining
LTP subscribers to Local Package Plus ("LPP").\(^3\)

\(^1\)A copy of this plan is attached as Exhibit 1 to this
decision and order.

\(^2\)A copy of this plan is attached as Exhibit 2 to this
decision and order.

\(^3\)See Docket No. 02-0415, In re Verizon Hawaii Inc.
(conditional approval for a one-year promotional period).
2. Now, it proposes to include Local Package Basic ("LPB") as another migration option in addition to LPP. It states that, "[l]ike LPP, LPB offers a bundle of local exchange, interisland toll and vertical services but with fewer features for a lower price. Therefore, offering this package as an alternative to LTP will help to mitigate any [in]convenience to LTP customers who will have to choose another plan."

3. Accordingly, since it intends to implement the LPP and LPB packages simultaneously, it seeks to revise its updated phase-out plan for LTP "to specify that it will issue the notification letters within a week of the implementation date of LPP and LPB[.]

B.

Upon review, Verizon Hawaii Inc. shall comply with its revised, updated phase-out plan, subject to the same conditions set forth in Order No. 20230. At the same time, the commission makes clear that the instant order: (1) is not a ruling on the merits of Verizon Hawaii Inc.'s LPB proposal in Docket No. 03-0067; and (2) does not implicitly or otherwise, constitute an approval of LPB. In the event LPB is not approved, Verizon Hawaii Inc. shall promptly move forward with its initial, updated phase-out plan.

---

"Verizon Hawaii Inc.'s LPB proposal is currently pending before the commission. See Docket No. 03-0067, In re Verizon Hawaii Inc."
III.

THE COMMISSION ORDERS:

2. Verizon Hawaii Inc. shall file: (A) copies of its written notice or notices issued to its LTP subscribers, clearly explaining that the affected subscribers have the option of choosing either LPP, another commission-approved bundled service package, or an individually tailored set of services, without incurring any nonrecurring charges associated with the phase-out of LTP; and (B) a final report, once the phase-out of LTP is completed. Two copies of all filings shall be served upon the Division of Consumer Advocacy.

3. In the event LPB is not approved by the commission, Verizon Hawaii Inc. shall promptly move forward with its initial, updated phase-out plan of LTP.

DONE at Honolulu, Hawaii this 29th day of July, 2003.
