ORDER

I.

By Decision and Order No. 18993, filed on November 1, 2001, the commission: (1) approved HAWAIIAN ELECTRIC COMPANY, INC.'s ("HECO") request to provide energy at no charge for the State of Hawaii's Electric Vehicle demonstration and evaluation project (the "EV project"); and (2) instructed HECO to file a report within 30 days following the EV project's completion.

By letter dated August 28, 2003, HECO states that the EV project was completed on July 31, 2003, and the report is due by August 30, 2003. However, it requests an extension of time, until September 15, 2003, to file its report. HECO represents that: (1) it requires the additional time to review the data and complete the report; and (2) the Division of Consumer Advocacy does not object to HECO's request. HECO makes its request pursuant to Hawaii Administrative Rules § 6-61-23(a)(1).

Upon a finding of good cause shown, the commission will approve HECO's request.

II.

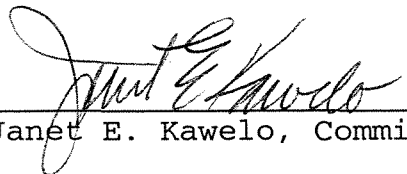

THE COMMISSION ORDERS that HECO's request for an extension of time, until September 15, 2003, to file its report, is approved.

DONE at Honolulu, Hawaii this 10th day of September, 2003.
