ORDER

I.

By an application filed on May 17, 2002, MAKENA WASTEWATER CORP. ("Applicant") requests a certificate of public convenience and necessity ("CPCN"), pursuant to Hawaii Revised Statutes ("HRS") § 269-7.5, to provide services for the collection and treatment of wastewater in the area of Makena, Kihei, County of Maui.

Applicant served copies of its application on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). On March 28, 2003, Applicant filed its First Amended Application.

The commission finds that establishing a procedural schedule at this juncture would aid in the efficient and timely disposition of the instant proceeding. Thus, the commission concludes that Applicant and the Consumer Advocate should meet to formulate the issues, procedures and schedule with respect to this proceeding, to be set forth in a stipulated scheduling order

that shall be submitted for commission approval 20 days from the date of this order. In the alternative, if the parties are unable to stipulate to such order, we conclude that each party shall submit a proposed scheduling order for the commission's consideration 20 days from the date of this order.

II.

THE COMMISSION ORDERS that Applicant and the Consumer Advocate shall meet informally to formulate the issues, procedures, and schedule with respect to this proceeding, to be set forth in a stipulated scheduling order. This stipulated scheduling order shall be submitted for commission approval within 20 days from the date of this order. If unable to stipulate to such an order, each party shall submit its own proposed scheduling order for the commission's consideration within 20 days from the date of this order.
