---- In the Matter of ----

PUBLIC UTILITIES COMMISSION

Instituting a Proceeding of Commercial Mobile Radio Service ("CMRS") Providers in the State of Hawaii, Including An Investigation to Determine Whether it is Consistent with the Public Interest to Exempt CMRS Providers, their Services, or Both, from Any Provision of Hawaii Revised Statutes Chapter 269

PROCEDURAL ORDER

I.

The commission directed the parties1 to confer or meet informally to formulate a stipulated prehearing order and submit it to the commission for its consideration and approval on August 7,

2003. If the parties were unable to stipulate to such an order, the commission further directed each party to submit its own proposed prehearing order for the commission's consideration. The commission established September 22, 2003, as the submission date of either the stipulated prehearing order or the proposed prehearing orders.

II.

Upon our review and consideration, we determine that the following issues, schedule of proceeding, and procedures shall control the subsequent course of this proceeding.

---

2Order No. 20368, filed on August 7, 2003.

3On September 12, 2003, counsel for AT&T Wireless PCS and AT&T Wireless Hawaii represented that the September 11, 2003 Stipulated Procedural Order was filed without the signatures of Pager One's and Mobile One's representative. Since neither Pager One nor Mobile One were signatories to the Stipulated Procedural Order, they will not be construed as Stipulated Parties to the September 11, 2003 Stipulated Procedural Order.
As referenced below, we approve and adopt the Stipulated Parties' proposed issues in part, and procedures set forth in their Stipulated Procedural Order, in part. We also approve and adopt their Stipulated Regulatory Schedule, attached to the Stipulated Procedural Order as Exhibit "A", subject to certain modifications discussed herein.

A.

STATEMENT OF ISSUES

The issues in this docket are:

1. In view of the competitiveness of CMRS and CMRS providers' practices,
   a. What provisions of Hawaii Revised Statutes ("HRS") Chapter 269, Hawaii Administrative Rules ("HAR") Chapters 6-80 and 6-81, and General Order No. 8 ("G.O. No. 8"), Standards for Telephone Service in the State of Hawaii should CMRS be exempted from under HRS § 269-16.9(a)?
   b. Under HRS § 269-16.9(c), what conditions or limits, if any, should apply to any such exemptions granted to CMRS in this proceeding?

'We decline to adopt the Stipulated Parties' proposed preemption issue because HRS § 269-16.9 does not require the preemption issue to be decided in order for the commission to exempt CMRS providers, their services, or both, from any provision of Hawaii Revised Statute, Chapter 269 or its applicable rules.
c. What provisions of HRS Chapter 269, HAR Chapters 6-80 and 6-81, and G.O. No. 8 should the commission otherwise waive under HRS § 269-16.9(e) for CMRS providers and services?

B.

SCHEDULE OF PROCEEDING

Upon review, we find that the Stipulated Parties' Stipulated Regulatory Schedule attached hereto as Exhibit "A" is as a whole reasonable. However, in light of Island Page's late submission, we also find it necessary to modify the Stipulated Regulatory Schedule as follows: (1) Item 3 is amended from "Monday, October 6, 2003" to "Friday, October 10, 2003," and (2) Item 4 is amended from "14-16" to "10-12". Thus, we conclude that the Stipulated Regulatory Schedule, as modified, should be approved, adopted, and made part of this procedural order. Unless ordered otherwise, the parties shall adhere to the schedule of proceeding set forth in the Stipulated Regulatory Schedule. Notwithstanding the above, the parties shall have the right to amend the Stipulated Regulatory Schedule as may be agreed in writing from time to time, subject to approval by the commission. Subsequent to November 12, 2003, the commission may schedule a status or prehearing conference to determine, among other things, whether other additional procedures are necessary, and if a public or evidentiary hearing needs to be scheduled.
C.

COPIES OF DOCUMENTS

Each party shall file and serve copies of all position statements, pleadings and all other documents to the commission and the parties as follows:

Commission

Original + 11 copies to be filed at the commission’s Honolulu office within the time limit prescribed, pursuant to HAR § 6-61-15

All parties

2 copies of each document to be served to each party by U.S. mail (postage prepaid), e-mail or facsimile, as set forth in the September 12, 2003 Stipulated Procedural Order or as mutually agreed to by the parties.

Upon request, the parties shall provide electronic versions of all correspondence, pleadings and position statements, if any, by e-mail to the other parties to facilitate the timely receipt and review of the same.

D.

COMMUNICATIONS

HAR § 6-61-29 concerning ex parte communications shall govern any communications between a party and the commission.

Communication between the parties should either be through counsel or through the designated and authorized representatives of the parties. All pleadings, papers, and other documents filed in this proceeding shall be served on the opposing parties and their respective counsel or their designated and authorized representative, as provided in Section C. above.
E.

MATTERS OF PUBLIC RECORD

In order to provide a means to reduce unnecessary reproduction of documents and to facilitate these proceedings, identified matters of public record, such as reports that any of the parties have filed with the commission, published decisions of this or other commissions, published scientific or economic statistical data, material and textbooks, technical or industry journals relating to utility matters, and specified parts of the record in previous commission dockets shall be admissible in this proceeding without the necessity of reproducing each document, provided that the document to be admitted is clearly identified by reference to the place of publication, file or docket number, and the identified document is available for inspection by the commission and the parties; and further provided that any party has the right to explain, qualify or conduct examination with respect to the identified document. The commission may rule on whether the identified document will be admitted into evidence when a party proffers such document for admission as evidence in this case.

From time to time, the parties may enter into stipulations that such documents, or any portion of such documents, may be introduced into evidence in this case.

F.

GENERAL MATTERS

The commission reserves the right to amend this procedural order prior to the evidentiary hearing, if necessary,
and to hold a status or prehearing conference prior to the evidentiary hearing in order to, among other things, narrow the issues and expedite this proceeding. Pursuant to HAR § 6-61-37, this procedural order shall control the subsequent course of the hearing unless modified by the commission at or prior to the hearing to prevent manifest injustice.

III.

AMERITECH MOBILE'S and AMERITECH WIRELESS' NOTICE OF WITHDRAWAL

On September 15, 2003, Ameritech Wireless and Ameritech Mobile received authorization by the Commission on September 15, 20035 and September 19, 20036, respectively, to surrender their certificates of registration ("CORs"). Consequently, on September 26, 2003, Ameritech Mobile and Ameritech Wireless submitted their Notice of Withdrawal to be parties to the instant docket.

In light of Ameritech Wireless' and Ameritech Mobile's surrender of their CORs and their representations in the Docket Nos. 99-0197 and 01-0110 that they no longer will operate as CMRS providers or facilities-based providers of cellular telecommunications services in Hawaii, we will approve Ameritech Mobile's and Ameritech Wireless' September 26, 2003 Notice of Withdrawal.

5Order No. 20435, filed on September 15, 2003, in Docket No. 99-0197.

6Order No. 20457, filed on September 19, 2003, in Docket No. 01-0110.
IV.

THE COMMISSION ORDERS:

1. The Stipulated Parties' Stipulated Procedural Order, filed on September 12, 2003, is adopted in part, and denied in part, consistent with the terms of this procedural order. The Stipulated Regulatory Schedule, as modified herein and attached hereto as Exhibit "A", is approved, adopted, and made part of this procedural order.
